

REMARKS

Claims 1, 13, and 16-17 have been amended to clarify the subject matter regarded as the invention. New claims 18 and 19 have been added. Claims 1-19 are pending.

The Examiner has rejected claims 1, 5, and 8-17 under 35 U.S.C. §102. Claims 2, 3-4, and 6-7 were also rejected under 35 U.S.C. §103.

The rejections are respectfully traversed. As amended, claim 1 recites that "the content of the preview varies in accordance with the degree of force applied to the pushbutton." None of the references teach or suggest a preview varying in accordance with the degree of force applied to a pushbutton. Thus, Applicants submit that claim 1 is allowable.

Claims 2-12 depend from claim 1 and are believed to be allowable for the same reasons described above. Claims 13 and 16-17 were amended similarly to claim 1 and are believed to be allowable for the same reasons as Claim 1. Claims 14-15 depend from Claim 13 and are also believed to be allowable for the same reasons as those stated above for Claim 1.

New Claims 18 and 19 depend from Claim 1 and are therefore also believed to be allowable.

Reconsideration of the application and allowance of all claims are respectfully requested based on the preceding remarks. If at any time the Examiner believes that an interview would be helpful, please contact the undersigned.

Dated: 01/24/2005

Respectfully submitted,

Robyn Wagner
